

DUKE'S CORNER

LOW GLUTEN AT DUKE'S

We've designed the following menu to help you identify dishes that are low in Gluten.

Whilst we make every possible effort to avoid cross-contamination of ingredients, we cannot guarantee that your dishes will not have come into contact with any gluten containing products either in our kitchen or from one of our suppliers. For those with Coeliac disease please be aware that we are unable to guarantee any of our dishes are 100% Gluten Free.

Some dishes, while not containing any gluten in their ingredients, are cooked in our fryers. Unfortunately whilst our fryers are cleaned and filled with fresh oil regularly, they will also have been used to cook wheat products during a service.
